How much **You** pay depends on how worn these items were when the **Damage** happened.

Introduction

Insurer's Liability Several Not Joint

The liability of an **Insurer** under this contract is several and not joint with other **Insurers** party to this contract. An **Insurer** is liable only for the proportion of liability it has underwritten. An **Insurer** is not jointly liable for the proportion of liability underwritten by any other **Insurer**. Nor is an **Insurer** otherwise responsible for any liability of any other **Insurer** that may underwrite this contract.

The proportion of liability under this contract underwritten by an **Insurer** (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an **Insurer**. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other **Insurer** that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportion of Liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each **Insurer** (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a **Schedule** is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each **Insurer** (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the **Schedule** will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

2. Material deposited on **Your Situation** as a result of the operation of an **Insured** peril.

Excluding any material which can cause **Pollution and Contamination** and which is deposited beyond the boundaries of **Your Situation**.

Discovered or Discovery

When any of **Your** directors, officers, senior managers or trustees, not in collusion with an **Employee** committing a dishonest or fraudulent act, first becomes aware of facts which would cause a reasonable person in the circumstances to believe that **Loss** covered by this **Policy** has occurred, or is likely to occur, regardless of when the

act or acts causing or contributing to such **Loss** occurred and even though the exact amount or details of **Loss** may not then be known.

Emergency Repairs

Minor repairs which are essential for **You** to be able to drive **Your Vehicle** safely from an **Accident** or **Event** causing **Damage**, not exceeding \$5,000.

Employee

1. Any person while employed under a contract of service with, or apprenticeship to, **You**; and
2. Any person while hired or seconded from any other party into **Your** service including any agency furnished personnel whom **You** have the right at all times to govern, control and direct in the performance of his or her work in the course of **Your Dealership Business**, but does not include:
 - a. Any broker, factor, commission agent, consignee, contractor or other agent; and
 - b. Any of **Your** partner(s) or director(s) other than executives and directors,unless such person is also **Your** employee or has been seconded into **Your** employment by **You**.

Event or Events

One incident or all incidents of a series consequent on, or attributable to, one source or original cause.

Excess

Any **Excess** or deductible set out in the **Schedule**, this **Policy**, or any Endorsement that applies to a claim under this **Policy** must be paid by **You**. The **Excess** or deductible is either the amount specified in the **Schedule** or otherwise stated in **Your Policy** for each applicable Section **You** must contribute:

1. as the first payment of each and every claim;
2. for the period specified in the **Schedule**; or
3. as otherwise stated in **Your Policy**.

Unless specified otherwise, the **Excess** is not included in the **Limit of Liability**. The **Excess** must be paid in addition to the **Limit of Liability**. If the **Damage** exceeds the **Limit of Liability**, the **Insurer** will pay up to the **Limit of Liability**, and **You** will be required to pay the **Excess** separately.

You must pay any **Excess** that applies to a claim under any Section in **Your Policy** for any **Event**. The **Excess(es)** that applies to that Section will be set out in **Your Schedule**, and if not specified, the default **Excess** is \$1,000 for that Section. The **Excess** must be paid to **Us** or as **We** direct within the time **We** specify. Alternatively, **We** may deduct the **Excess** from the amount **We** pay for any Claim. For clarity, the **Excess(es)** apply to each Section of the **Policy** individually and must be paid in accordance with the terms of each relevant Section.

For the purpose of the application of any **Excess**, **Damage** resulting from:

1. earthquake occurring during each period of 72 consecutive hours, or
2. atmospheric disturbance (for example, and including, hailstorms) occurring during each period of 24 consecutive hours

is considered as one **Event**, whether the earthquake or atmospheric disturbance is continuous or sporadic in its

sweep or scope, and the **Damage** was due to the same seismological disturbance or atmospheric conditions. Each **Event** is deemed to have commenced on the first happening of any such **Damage**.

If a claim is made in relation to an event where more than one **Excess** applies within one **Section**, **You** only have to pay the highest applicable **Excess(es)** under that **Section**, except where that **Section** specifies that the **Excesses** are cumulative (e.g., **Excess – Per Vehicle**, **Aggregate Excess**).

Where an **Excess** is based on a value, this value includes the GST.

If the **Damage** exceeds the applicable **Limit of Liability**, **Limit of Indemnity**, **Maximum**, or **Sublimit** under a **Section**, the **Excess** will be deducted from the applicable **Limit of Liability**, **Limit of Indemnity**, **Maximum**, or **Sublimit**, rather than from the total **Damage** amount. In no event will the total payment for the claim exceed the applicable **Limit of Liability**, **Limit of Indemnity**, **Maximum**, or **Sublimit**, after deducting the **Excess**.

Example:

You operate a **Dealership Business**, and a fire causes **Damage** to **Your Situation**. The cost to repair the **Damage** is \$150,000, and **Your Policy** has:

1. A \$10,000 **Excess** applicable to property **Damage** claims;
2. A **Limit of Liability** of \$100,000 for property **Damage**.

How the **Excess** Applies:

1. Since the total **Damage** (\$150,000) exceeds the **Limit of Liability** (\$100,000), the **Excess** is deducted from the **Limit of Liability**, not from the total **Damage**.
2. The **Insurer** pays \$90,000 (\$100,000 **Limit of Liability** minus the \$10,000 **Excess**).
3. **You** must pay \$60,000 (the \$10,000 **Excess** + the remaining \$50,000 above the **Limit of Liability**).

Section 4 – Motor Combined Risk Excesses

1. Basic **Excess** or **Excess**:
 - a. is the first amount **You** must contribute towards each and every claim under this Section before any benefit is payable. The Basic **Excess** applies before any other Additional excesses
2. **Vehicles** with a value above \$100,000:
 - a. This **Excess** applies if the Stock Card Value or **Market Value**, whichever has been used in the **Basis of Settlement** falls within the range as specified on the **Schedule**, at the time of **Loss** or **Damage**. This **Excess** is the first amount **You** must contribute towards each and every claim under this Section before any benefit is payable. It applies in place of the Basic **Excess** and must be paid before any other Additional **Excesses**. For clarity, the value of the **Vehicle** is inclusive of GST
3. Aggregate **Excess** (any one event):
 - a. The maximum total **Excess** payable by **You** for all claims arising from a single event, involving more than three vehicles, is limited to three times the highest **Excess** applicable to any one **Vehicle Damaged** in that event, including any additional excesses. Once this limit is reached, no further **Excess** applies to additional claims arising from the same event under Section 4 – Motor Combined Risks, regardless of the number of vehicles involved.

Additional **Excess(s) – Per Vehicle** is an extra amount that applies to each **Vehicle**. More than one Additional

Excess may apply to each **Vehicle** if multiple conditions are met. This **Excess** is added in addition to the Excess(s) – Per **Vehicle**.

1. Under 22 years of age
 - a. This applies if the driver is under the age of 22, regardless of their duration of driving in Australia (domestic/citizens).
2. 22 – 25 years of age
 - a. This is only applicable if the driver is between the ages of 22-25 despite the period of time driving in Australia (domestic/citizens)
3. Unaccompanied test driving
 - a. Further to the clause requirements, an additional Excess of \$5,000 applies in addition to all other applicable Excesses
4. Inexperienced drivers of greater than 5T GMV, where the **Vehicle** value is less than \$100,000
 - a. This applies to a driver of any age where the driver has less than 2 years experience – the age **Excess** is not charged in addition to this **Excess** (if applicable).
5. Inexperienced drivers of greater than 5T GMV, where **Vehicle** value is greater than \$100,000
 - a. This applies to a driver of any age where the driver has less than 2 years experience – the age **Excess** is not charged in addition to this **Excess**
6. Drivers less than 2 years driving experience in Australia
 - a. This is only applicable in the event an international driver has less than 2 years driving history.

If the **Damage** to the **Vehicle** exceeds the **Limit of Liability**, Maximum, or Sublimit under a Section, the **Excess** will be deducted from the applicable **Limit of Liability**, Maximum, or Sublimit, rather than from the total **Damage** amount. Alternatively, **We** may deduct the **Excess** from the amount paid for any claim, up to the **Limit of Liability**, or applicable Maximum or sublimit.

First Loss Condition

refers to a limited amount of coverage specified in **Your Schedule**, which is the maximum liability the **Insurer** will pay for any one **Loss** or occurrence under Section 1 – Property **Damage**, Section 2- Business Interruption, and Section 4 – Motor Combined Risks (4.1 only). It does not require the policyholder to insure the full value of the **Insured** Property, but the **Insurer's** liability is capped at the **First Loss Limit** for any individual claim, regardless of the total value or actual value of the **Insured** property. Cover under more than one Section

We will not indemnify **You** or pay for any claim under more than one Section of the **Policy** for the same **Loss**, **Damage** or liability.

Where more than one Section of **Your Policy** covers or may have covered the claim had **You** selected that Section, the Section that is more specifically applies to cover the relevant claim applies and **We** will not pay anything under any other Section(s).

Duty of Disclosure Notice (Australia)

Your duty of disclosure

Before **You** enter into an insurance contract, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, may affect **Our** decision to insure **You** and on what terms.

You have this duty until **We** agree to insure **You**.

You have the same duty before **You** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **Us** anything that:

- reduces the risk **We** insure **You** for; or
- is common knowledge; or

- **We** know or should know as an **Insurer**; or
- **We** waive **Your** duty to tell **Us** about.

If **You** do not tell **Us** something

If **You** do not tell **Us** anything **You** are required to, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

What happens if the duty of disclosure is not complied with?

If the duty of disclosure is not complied with, **We** may cancel the **Policy** and/or reduce the amount **We** pay in the event of a claim. If fraud is involved, **We** may treat the **Policy** as if it never existed and any claims may be declined.

Renewal procedure

Before **Your Policy** expires, **We** will advise **You** whether **We** intend to offer renewal and if so on what terms. This document also applies for any offer of renewal **We** may make unless **We** tell **You** otherwise. It is important that **You** check the terms of **Our** renewal offer before renewing to satisfy **Yourself** that the details and content are correct. In particular, check the limits and **Excess(es)** applicable to ensure the levels of cover are correct for **Your** requirements. Please note that **You** need to comply with **Your** Duty of Disclosure before each renewal.

Interests of other parties

The important term "Interest of other parties" applies to Sections 1, 2, 3, 4 & 6 of this **Policy** and not section 5. The pecuniary or economic interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties specifically noted in **Your** records (other than **Dealer Floor Plan Agreement** financiers) **We** will automatically note that insurable interest without any notification or specification by **You** and where **Insured Property** the subject of that insurable interest is **Damaged**, pay claims for the **Insured Property** in accordance with the priority agreed between **You** and the party with the insurable interest.. **You** must tell **Us** in writing the nature and extent of such interest to be disclosed in the event of **Damage**.

Where the insurance covers the interest of more than one party, any act or neglect of an individual party will not prejudice the rights of the remaining parties, provided that the remaining parties must, as soon as becoming aware of any act or neglect whereby the risk of **Damage** has increased, give notice in writing to **Us** and on demand pay such reasonable additional **Premium** as **We** may require.

The Goods and Services Tax (GST) and Your insurance (GST registered policyholders only)

GST has an impact on the way in which claim payments are calculated under **Your Policy**. **We** will calculate the amount of any payment **We** make having regard to **Your** GST status.

If, for example, **We** make a cash payment for the purchase of goods or services for which **You** are entitled to claim an input tax credit, **We** will only pay an amount equal to **Your** net cost – i.e. **Your** cost after claiming input tax credits. The wording contained in this **Policy** sets this out in more detail.

In respect of **Your Policy**, where **You** are registered for GST purposes **You** should calculate **Your Insured** amounts or advise **Us** of **Your** asset values or turnover having regard to **Your** entitlement to input tax credits. **You** should, therefore, consider the net amount (after all input tax credits have been taken into account) which is to be **Insured** and calculate and advise to **Us** the **Insured** amounts, asset values or turnover on a GST exclusive basis.

If **You** are either wholly or partially input taxed, **You** are in a special category under the GST legislation, and will need to advise **Us** of **Your** sums **Insured**, asset values or turnover on a GST inclusive basis.

This outline of the effect that the GST has on **Your Policy** is for **Your** general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **Your** particular circumstances.

Australia Terrorism and Cyclone Insurance Act 2003 Notice

The Underwriters have treated this Insurance (or part of it) as an Insurance to which the Australia Terrorism and Cyclone Insurance Act 2003 (ATACIA) applies.

ATACIA and the supporting regulations made under the Act deem cover into certain policies and provide that the Terrorism exclusion to which this Insurance is subject shall not apply to any "eligible terrorism **Loss**" as defined in ATACIA.

Any coverage established by ATACIA is only in respect of any "eligible terrorism **Loss**" resulting from a "terrorist act" which is a "declared terrorist incident" as defined in ATACIA. The Terrorism exclusion to which this Insurance is subject applies in full force and effect to any other **Loss** and any act or event that is not a "declared terrorist incident".

All other terms, conditions, **Insured** coverage and exclusions of this Insurance including applicable limits and deductibles remain unchanged.

If any or all of the Underwriters have reinsured this Insurance with the Australian Reinsurance Pool Corporation, then any such Underwriters will not be liable for any amounts for which they are not responsible under the terms of ATACIA due to the application of a "reduction percentage" as defined in ATACIA which results in a cap on the Underwriter's liability for payment for "eligible terrorism **Losses**".

5.2 Definitions

The following definitions apply to this Section:

Employment Practices

Means any wrongful or unfair dismissal, failure to promote, negligent reassignment, negligent disciplinary action, denial of natural justice, refusal to employ, demotion, negligent evaluation, harassment, invasion of privacy, defamation, misleading representation or advertising, sexual harassment or discrimination in respect of **Your Employees**.

Faulty Workmanship:

Faulty Workmanship refers to physical **Damage** or **Loss** arising directly from the incorrect, negligent, or substandard execution of a task by a mechanic or technician during the course of their professional duties. This includes errors in installation, repair, servicing, or assembly that deviate from accepted trade standards or manufacturer specifications. It is not considered an "accident" because it stems from a failure to meet contractual or professional obligations. For example, a mechanic replaces a customer's brake pads, but they are not fitted correctly but pass the basic road test. Two days later the brake pads loosen causing **Damage** to the wheel and fender.

Resultant Third Party Damage

Faulty Workmanship may also give rise to Resultant Third Party **Damage**, which refers to physical **Loss** or **Damage** sustained by third-party property as a direct consequence of the defective work, but which is not the defective work itself. The Resultant Third Party **Damage** is the **Damage** then caused to another third party, not the **Vehicle** where the Faulty Workmanship took place. For example, a mechanic replaces a customer's brake pads, but they are not fitted correctly but pass the basic road test. Two days later the brake pads loosen causing **Damage** to the wheel and fender (Faulty Workmanship). If the **Vehicle** then rolls into another parked **Vehicle**, damaging the other third-party **Vehicle**, the **Damage** to the other **Vehicle** would be considered Resultant Third Party **Damage**. Any **Damage** to the **Customer's Vehicle** would not be considered Resultant Third Party **Damage**.

Accidental Damage:

Accidental **Damage** refers to sudden, unforeseen, and unintended physical **Loss** or **Damage** to a **Customer's Vehicle** caused by an external **Event** during the mechanic's custody or control. This includes incidents such as dropping a tool onto a **Vehicle**, collision during test driving, or **Damage** caused by malfunctioning

workshop equipment. For example, if a mechanic unintentionally scrapes a **Vehicle** against a hoist while reversing—despite following workshop protocols, this may be treated as Accidental **Damage**.

Hovercraft

Means any vessel, craft or device made or intended to float on or in or travel on or through the atmosphere or water on a cushion of air provided by a downward blast.

Incidental Contracts

Means:

1. Any written rental agreement or lease of real property which does not impose on **You**:
 - a. An obligation to insure such property;
 - b. Any liability regardless of fault;
2. Any written contract with any public authority for the supply of **Water** gas or electricity but only to the extent of indemnifying any such authority in respect of liability arising out of **Your Dealership Businesses** and excepting contracts for the performance of work or provision of services by **You**.

Means the amount stated in the **Schedule**.

Occurrence

Means an event including continuous or repeated exposure to substantially the same general conditions, which results in **Personal Injury** or **Property Damage** that is neither expected nor intended from **Your** standpoint.

All events of a series consequent upon or attributable to one source or original cause shall be deemed to be one **Occurrence**.

Product

means anything manufactured, constructed, erected, assembled, installed, grown, extracted, produced or processed, treated, altered, modified, repaired, serviced, bottled, labelled, handled, sold, supplied, distributed, imported or exported, by **You** or on **Your** behalf, including any packaging or containers thereof, including the design, formula or specification, directions, markings, instructions, advice or warnings given or omitted to be given in connection with such products and anything which by law **You** are deemed to have manufactured in the course of the **Business** including discontinued products.

Property Damage

Means:

1. Physical **Damage** to, **Loss** of or destruction of tangible property including any resultant **loss** of use; or
2. **Loss** of use of tangible property that has not been physically **Damaged**, lost or destroyed provided such **Loss** of use is caused by physical **Damage** to, **Loss** of or destruction of other tangible property.

Territorial Limits

Means:

1. Anywhere within Australia or its external territories;
2. Anywhere outside of Australia and its external territories, but only with respect to:
 - a. Travelling **Employees** and/or directors or partners who are normally resident in Australia and who are not undertaking manual work or supervision outside of Australia or its external territories;
 - b. **Your** products exported to anywhere in the world except the United States of America or Canada or any country, territory or protectorate to which the laws of the United States of America or Canada apply.

However, the definition of 'Territorial Limit' excludes static **Situations** where **Your Dealership Business** regularly operates or trades from, unless that **Situation** is noted in **Your Schedule** as being **Insured**.

Vehicle

means any type of machine, including attachments, that is designed to travel on wheels or on self-laid tracks made or intended to be propelled by mechanical power.

Watercraft

Means any vessel, craft or thing made or intended to float on or in or travel on or through water other than model boats.

5.3 Limits of Liability

Our liability shall not exceed the **Limit of Liability** in respect of any one claim or series of claims caused by or arising out of one **Occurrence**.

However, for claims caused by or arising out of any **Product**, **Our** liability shall not exceed the **Limit of Liability**:

1. for one claim or series of claims; and
2. for all claims during the **Period of Insurance**.

5.4 Additional benefits

Legal costs

If **We** agree to pay a claim under this Section, **We** will pay legal costs incurred by **Us** or by **You**, after **We** have

provided **Our** written consent, in the investigation, defence or settlement of a claim for compensation made against **You**.

If **We** have agreed to pay a claim under this Section for repair or replacement of equipment caused by **Breakdown**, **We** will pay for the additional increase in cost of working (not otherwise recoverable under this section) necessarily and reasonably incurred during the **Indemnity Period** as a consequence of the **Damage** for the purpose of avoiding or diminishing reduction in Turnover or resuming or maintaining normal Business operations or services. The most **We** will pay for **Your** additional increase in cost of working is the **Limit of Liability** set out in the **Schedule** for "Additional Increased Cost of Working" within a 3 month period.

If **You** specify equipment more than 10 years old during **Your Proposal**, and **We** agree in writing to provide cover for that equipment, the extent of the cover will be as outlined in **Your Schedule**. The cover provided will be limited to the specified sum **Insured** for that equipment. **We** will pay (up to the specified sum) for the repair or total **Loss** of that equipment, or the cash equivalent, whichever is lesser.
